

## I25HCR PORTABLE AIR CONDITIONER

*Expressly designed for worldwide rapid deployment, Isolation Systems I25HCR Portable HVAC delivers 30,000btu/h cooling and 30,000btu/h heating in one of the easiest to deploy and most versatile 2.5-TON designs on the market.*

*Unit includes push handles, top mount gear rack, foam filled "no flat" turf tire castors, remote or unit mounted controls, 30' power cord with plug end of choice and 2X heavy duty PVC ducts. It is easy to maneuver resulting in a 5-minute setup time using one person. Unit is available in cart mount as pictured or four-way fork liftable skid design and can be used around the world.*

### TECHNICAL SPECIFICATIONS:

COOLING CAPACITY	30,000 BTU/HR
HEATING CAPACITY	30,000 BTU/HR <small>HEAT PUMP</small>
HEATING - OPTIONAL	6, 7.5, 10KW <small>RH Kit</small>
CONDITIONED AIR SUPPLY	1000 CFM @ 0.1" WET COIL
DEHUMIDIFYING	50% RH MAX
REFRIGERANT TYPE	R410A
DIMENSIONS	60.00"L X 35.50"W X 39.25"H
WEIGHT	427 LBS
DUCTS PORTS (2)	14" SUPPLY, 12" RETURN
VOLTAGE	208-240V/1PH/60HZ
MAX POWER COOLING	RLA 21 (4.96kW) LRA 101
TYPICAL CAPACITY	300 SQUARE FOOT

Cart Mount

10KW Resistance Heater Kit

Remote Thermostat
